Short Course PB's

Well Done all swimmers

Great Open Meet - amazing Team Spirit shown, also good to see some younger swimmers making competitive debut!!!

Good PB rate - 54 out of 79 races which is 68%

Good medal haul of 29 top 6 places

Ellie Tennant getting Regional Qualifying time for 50 Free, as a club we have 18 so far this season

Over 79 races no DQ's which shows work in training paying off. From a coaching point of view though still work to be done on turns, Backstroke in particular.
