## COUNTY SWIMMING CHAMPIONSHIPS 2026 – ENTRY PACK

The promoter will have to make such changes as are needed to the programme or to restrict numbers of entries at any time due to changes or conditions imposed by the pool operator or other authority.

Please check for latest update at [www.derbyshireswimming.org.uk](http://www.derbyshireswimming.org.uk)

### ENTRIES

*All entries must be submitted through the swimmer's club coordinator and receipt will be acknowledged via email.*

The method of creation of entries is through the Sportsystems Entry Manager which is available for all clubs. Entries not validated as created by Sportsystems Entry Manager may be rejected.

The method of submission of entries is via the google form located at <https://forms.gle/xPQiF8e8Wduwc7nP8>

The Sportsystems entry file together with reports on entries for open/male and female categories produced by Sportsystems entry manager must be uploaded via the form together with a summary of entries.

Payment for entries must be made to your club who will collate all the entries and forward one payment to Derbyshire ASA.

Manual entries will not be accepted and will be returned.

Should clubs need advice on how to use the electronic entry system they should email: [entries@derbyshireswimming.org.uk](mailto:entries@derbyshireswimming.org.uk) for assistance.

Only one set of entries will be accepted from each swimmer.  
No additional entries will be accepted after the closing date.

### POOLSIDE ACCREDITATION

All coaches and team managers must purchase the event specific accreditation via the SE online system at [https://www.swimmingresults.org/member\\_options/](https://www.swimmingresults.org/member_options/) - accreditation must be presented on site and a wristband obtained for poolside access which must be worn on the accredited persons wrist at all times unless specific medical exemption has been approved by the promoter, otherwise poolside access will not be permitted.

Suitable ratios of coaches and team managers must be maintained at all times as required by Wavepower and the latest Swim England policy.

### ENTRIES

Should the championships be oversubscribed then the promoters reserve the right to reject the slowest entries. This will be achieved by applying a percentage reduction in the consideration times across each age, taking into account the number of swimmers and the overall length of the session

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets or the Masters Rankings Database.

Entry times, converted if necessary to a 50m pool via the Sportsystems Entry Manager, must have been achieved after 1<sup>st</sup> January 2025 and must be equal to or faster than the consideration time for that event published in this pack. We will rank the fastest swimmers entries to fill the time available.

### PARA SWIMMERS

Derbyshire ASA operate an inclusive policy for para swimmers in this competition. Swimmers will be ranked using British Para-Swimming Points. Awards will be made to the top three in each event or the number completing the event if less than 3. Para swimmers do not have to meet the qualifying time criteria.

Please Note: Para swimmers may not be able to enter using the electronic entry manager system. Clubs should email [entries@derbyshireswimming.org.uk](mailto:entries@derbyshireswimming.org.uk) for details of how to enter if this is the case.

### PROVISIONAL / ACCEPTED ENTRIES

All provisional accepted and rejected entries will be posted on the Derbyshire ASA website as soon as possible after the closing date for entries. Should refunds need to be issued, they will be sent to the swimmer's club.

Club Coordinator's must report errors by: Monday 19<sup>th</sup> January 2026

## COUNTY SWIMMING CHAMPIONSHIPS 2026 – ENTRY PACK

All swimmers who know they will not be able to swim at the competition are asked to withdraw to avoid the gala being run with empty lanes.

The deadline for withdrawals for events each day will be 6.00 pm the day before.

Withdrawals from heats can be made by email to: [entries@derbyshireswimming.org.uk](mailto:entries@derbyshireswimming.org.uk) or by such other online method as may be advised.

Withdrawals from finals should be notified on a form available from event control within 10 minutes of the end of the last qualifying event in each session. Receipt of withdrawals may not be acknowledged.

### FINALS

The fastest 8 swimmers in each age group, from the heats in events with finals, will qualify for the final. It is expected that all swimmers that qualify for the finals will swim and as a result no reserves will be advertised. Should more than 8 swimmers qualify for a final a swim off will take place to decide the 8 swimmers.

Finals will be swum in the following age groups: 10/11, 12, 13, 14, 15, 16 and 17&Over.

### CHAMPIONSHIP AWARDS

In the events with finals, awards will be decided from the result in the final (and take precedence over the heat time). Please note awards for the 17/19 and 20 & Over age groups will be decided from the results of the finals with lower positions for those not taking part in the final being decided by their times from the heats.

Awards will be given to the top three - or number completing the final if less than three in each final.

In the Heat Declared Winner events, awards will be for the top three - or number completing the event if less than three - in each age group (10/11, 12, 13, 14, 15, 16, 17/19 and 20&Over)

Awards will be available for collection throughout the day once they have been declared. Awards not collected on the day will be forfeit.

### TROPHY WINNERS FROM 2025

Please can all trophy winners ensure all trophies are returned to the medals desk at the first session of the Championships. Please contact the trophy coordinator by email: [trophies@derbyshireswimming.org.uk](mailto:trophies@derbyshireswimming.org.uk) if this cannot be arranged.

It is expected that all trophies will be returned in a good condition.

### VOLUNTEERING

If you are able to help run the galas in any way, we would be delighted to hear from you. We have technical and non-technical roles that we need to fill and most require no previous training. If you can spare your time to volunteer, please contact Jo Jamieson - [volunteer@derbyshireswimming.org.uk](mailto:volunteer@derbyshireswimming.org.uk).

If you are a qualified and licensed official and able to help at the Championships, please email Ann Basford: [competition-officials@derbyshireswimming.org.uk](mailto:competition-officials@derbyshireswimming.org.uk).

We will have difficulty running the Championships unless enough people volunteer as officials or to help run the meet. We would look to each club to provide at least 2 officials and 2 volunteers at each session.

### NOTICES

Clubs are required to provide coaches and team managers in the ratios required by Wavepower - to supervise their swimmers at all times throughout the event. It is expected that all areas will be kept tidy. Coaches & Team Managers accreditation does not allow access to the spectator balcony unless in emergency.

Spectators are not permitted to reserve seats in the seating balcony, nor are swimmers allowed in the spectator balcony during the event.

All times on this page are based on a long course (50m) pool. Conversions made by the Sportsystems Entry Manager will be accepted.

*Consideration times do not guarantee entry. Should the championships be oversubscribed then the promoters reserve the right to reject the slowest entries. This will be achieved by applying a percentage reduction in the consideration times across each age, taking into account the number of swimmers and the overall length of the session*

All entry times must be registered on the British Swimming Rankings database at level 1 to 4 meets or the Masters Rankings Database and if not will be rejected. Entry times, converted if necessary to a 50m pool via the Sportsystems Entry Manager, must have been achieved after 1<sup>st</sup> January 2025 and must be equal to or faster than the consideration time for that event. Achieving the consideration time does not guarantee entry.

Swimmers will only need to inform their club of the events they wish to enter as times will be taken directly from the British Swimming Rankings database.

**Payment should be made to your club who will collate all entries and forward one payment to Derbyshire ASA.**

**NOTE:** This form **must not** be submitted to Derbyshire ASA as entries are submitted electronically but should be retained by your club to enable any queries to be resolved. Manual entries will be rejected.

Details of all provisional and accepted entries will be posted on the Derbyshire ASA website ([www.derbyshireswimming.org.uk](http://www.derbyshireswimming.org.uk)) as soon as possible after the closing date for entries.
